

2015 Border Terrier Club of Ontario Regional Specialty

On June 6, 2015 the Border Terrier Club of Ontario held a Regional Specialty at Erie Shores Show site in Caledonia.

There were 8 entries in Puppy Sweepstakes. Mary Beth Ensor from McHenry Borders was to judge. However, Mary Beth had a medical emergency prior to judging. Thankfully Judy Orsi kindly stepped in at the last minute to judge Sweepstakes then stayed till the end of judging and assisted judging Best Otter Head. Thank you again Judy!

Betty Anne Stenmark judged the Specialty with well over 30 entries.

The Specialty Dinner was held Saturday evening at the show site organized by Pat Dimetrovski. Jen Holder's daughter Tanya Butcher again made lovely cakes that were beautifully decorated and very delicious. Everyone enjoyed the meal. Before dinner, Susan Rome organized a silent auction with a great selection of articles offered.

I would like to personally thank all the club members for their assistance with trophies and setting up the tables and all the help received from our great Ring Stewart.
