

Calling all Earthdoggers ... Save the Date!

Border Terrier Canada, the Border Terrier Club of Ontario and the Canadian West Highland White Terrier Club are joining forces to host a weekend-and-a-half of earthdog training and tests in October 2020.

Pending CKC approval, our plans are as follows:

A full day of training will take place on Friday, October 16, 2020; and then the CKC tests will take place on Saturday, October 17 and Sunday, October 18. We have invited a fourth club to join us but do not yet have confirmation, so at this stage we are announcing three tests offering all classes from IQ through ME.

The fun will happen at Willowbrae, 12900 Winston Churchill Blvd., Terra Cotta, Halton Hills ON. Sarah Jones (BTC National Treasurer) is the Test Secretary for training and all tests. The Test Chairs are Jane McLaughlin (CWHWTC) and Jen Holder (BTC and BTCO).

We have invited the following judges to participate, pending CKC approval: Pamela Burns, Pamela Dyer, Susan Chapman and Trudy Kawami.

It's a weekend not to be missed, and should be the earthdog event of the 2020 Fall Season! For further information, please contact **Sarah Jones** at kennedyjones@rogers.com
