

July 27th, 2019 Fun Day Follow-Up Report

I have to give a HUGE Thank You to Barb Hathorn and Carol Hindley for the work they did on this year's Fun Day! They went all out, working, organizing, setting up and arranging for workers. It was a great success, with new members and very happy attendee's- nothing but thank you's and compliments. The club acknowledges and appreciates the efforts of Pauline Norman of Pauleo Paws to prepare and provide her beautiful property for our use during the event.

I know not all of our board were able to attend or work, but Ian and Lyne Trott were out in the sun all morning setting up Rally-O and guiding people through Rally, Obedience and the starter Agility equipment, Linda Hough manned the Grooming Station and there were lots of questions and hair pulling, Carol Hindley worked in the barn for Barn Hunt, Barb Hathorn manned the Intro to Earthdog and Pat Dimitrovski worked hard where ever needed. The Muskrat races were a great new addition and almost every dog took the challenge, took to the water and swam after the lure.

The weiner bob at the lunch break got everyone involved with a showdown between Gail and Jim's Cobe and Barb and Carol's Bea- congrats go to Bea!

The raffle basket was outstanding and won by new member Daniela Zanini.

We had people attend from Kingston, Niagara, Owen Sound and from all over the GTA.

Thank you to all the participants who came out to have fun and support this fundraiser for our club!
