

February 2nd, 2020 Grooming Day Report

Another year, another annual BTCO Grooming Day over!! Thanks to everyone who came out- we had an amazing 32 attendees this year. There seems to be some carry over from year to year as last years dogs looked decidedly tidier and needed more tweaking than weed whacking. We had new people out - and new members- thank you! We had visitors meeting Border Terriers and their owners who were quite excited to meet our wonderful dogs.

A huge thank you to our very hard working board members who put on these events and who were represented today by Jen, Linda, Barb, Carol, Ian and Bev, and members Pat, Alicia and Lyne who helped put this together and helped demonstrate grooming techniques and equipment.

Over our pizza lunch we had a discussion of upcoming events and member interests- it was so nice to see such an enthusiastic bunch out and lots of willingness to volunteer and participate!

Some photos from the day are included below.

Thanks everyone for coming out!

Regards

Bev Ferguson, President, B.T.C.O.
